

J-4421-2, 20" DISC GRINDER 220V 3PH

577010

This large surface disc grinder from JET is designed to put a smooth finish or grind to remove stock on just about anything that comes through your shop. An extra-large tilting table ensures user flexibility perhaps previously unimagined, and added safety features ensure your shop stays accident free. JET backs this machine with its industry-leading Two Year Warranty.

FEATURES

- Tilting table capability adds flexibility of 45° forward and 15° backward on positive lock rack and gear
- Precision table raiser utilizes a rack and gear mechanism for effortless operation
- Extra large tilting table lowers completely below disc for use of the entire disc surface
- Low voltage protection switch
- Rigid column and heavy duty base
- Direct drive motor
- Miter gauge
- Wrap over guard for added safety
