

J-F225, 225MM FERROUS MANUAL BENCH COLD SAW

414220

The table-top J-F225 enables one to take JET power and precision wherever the job requires. Adjustable depth stop, safety spring loaded trigger switch in the handle and manual vise combine to give this JET saw precision and reliability professionals demand from their machines. Features you've come to expect, backed by the industry-leading JET Two Year Warranty

FEATURES

- 225mm (9") Ferrous Cold Saw for steel, stainless and tough to cut alloys.
- Hardened and ground worm screw with a bronze drive gear operating in an oil bath increases dependability and reliability
- The double self centering vise secures the material on both sides of the cut for added sawing precision and burr free cuts
- Control handle with a safety spring loaded trigger switch to start or stop the machine increases user safety
- Large liquid reservoir and pump in the base keeps the blade flooded with coolant, extending blade life.
- Fully adjustable material depth stop for sawing repeatability and increased production
- Saw head manually miters to 45° to the left
- 225mm (9") , 220T blade comes standard
